Cold Weather Shelter Support

This is the last week for our collection of a letter of support! The application for Special Permit 584 (SP-584) is scheduled for City Council review on April 23, making time a critical factor. Our objective is to present a substantial number of support letters from members of our community, business representatives, elected officials, and others. Send your letter of support by April 22 via email to spcoffice@stpaulsokc.org, deliver it to our business office, or mail it to the attention of Lauren Bass. Examples of support letters are available in the Narthex, outside the Cathedral, and next to the welcome kiosk in the Reception Area. Your support is greatly appreciated. Thank you, for supporting the mission and ministry of the Cathedral.

Property Update: Roof Work Beginning!

Please be advised that the Education Building roof is being replaced and will be ongoing for the next 6-8 weeks. We appreciate the necessary maintenance being conducted on our property. This will not disrupt scheduled worship or formation activities, although you may observe construction equipment on-site or experience intermittent noise.

April Outreach

Shoe Drive for Positive Tomorrows

Positive Tomorrows partners with families experiencing homelessness to educate their children and create pathways to success. Any (very) gently used or new shoes in any children's sizes are needed and appreciated. Drop your shoes at the Outreach Center in the Education Building. Thank you in advance for your support of this important outreach effort! Questions? Contact hssessing@gmail.com

Year Round Stewardship

The Gift of TALENT

This week, we celebrate the invaluable gift of talent by acknowledging those responsible for overseeing the management of a 2-acre campus comprising four buildings, totaling 45,000 square feet, inclusive of worship areas and gardens at St. Paul's Episcopal Cathedral. The stewardship of this space is entrusted to a dedicated facilities team under the guidance of Director of Facilities, Chris Allbright, and Junior Warden, Melissa Heuer. Supported by volunteers such as Todd Olberding and the Handy Saints Ministry, this team diligently upkeeps our premises. How might you contribute your talents to assist in the maintenance of our property, ensuring it remains a sanctuary for all? Reach out to juniorwarden@stpaulsokc.org if you'd like to share your talent with us!
