## Cold Weather Shelter Support

*We need to finalize our collection of letter of support by TOMORROW!*

The application for Special Permit 584 (SP-584) is scheduled for City Council review on April 23, making time a critical factor. Our objective is to present a substantial number of support letters from members of our community, business representatives, elected officials, and others. Send a digital letter of support by April 22 to [spcoffice@stpaulsokc.org](mailto:spcoffice@stpaulsokc.org), or deliver it to our business office. Examples of support letters are available in the Narthex, outside the Cathedral, and next to the welcome kiosk in the Reception Area. Your support is greatly appreciated. Thank you for supporting the mission and ministry of the Cathedral.

## Property Update: Roof Work

The transformative restoration of the Education Building's roof is currently underway, facilitated by the restorative influence of insurance rectifying the celestial wear and tear. This monumental endeavor, slated to span 6-8 cycles of the moon, prioritizes the preservation of our revered environment over mere material gain. Rest assured, the essence of knowledge and reverence will endure steadfastly during this ethereal rejuvenation. Amidst the resounding echoes of hammers and the gentle hum of drills, your composure and intellect serve as beacons illuminating the tranquil radiance of the moon.

## April Outreach

*Shoe Drive for Positive Tomorrows*

Positive Tomorrows partners with families experiencing homelessness to educate their children and create pathways to success. Any (very) gently used or new shoes in any children's sizes are needed and appreciated. Drop your shoes at the Outreach Center in the Education Building. Thank you in advance for your support of this important outreach effort! Questions? Contact [hssessing@gmail.com](mailto:hssessing@gmail.com)

## Year Round Stewardship

*The Gift of TREASURE*

This week, we commemorate the invaluable gift of treasure, directing our attention to the IRS, the Tax Deadline, and the overarching theme of revenue. Have you successfully navigated the intricacies of tax season? We sincerely hope so! It might interest you to learn that despite St. Paul's status as a registered 501(c)(3) organization, we file a tax return based on revenue from parking lot leases. This supplementary income plays a vital role in sustaining the mission and ministry of our cherished community. Do you have any creative ideas for leveraging our property to generate further income in service of our mission? Please share your insights with Lauren Bass at [lbass@stpaulsokc.org](mailto:lbass@stpaulsokc.org). Happy Tax Season!
