## March Outreach

### Feminine Hygiene Supply Drive

Menstrual products should be available for all! St. Paul's March 2024 Outreach focuses on period poverty by collecting menstrual supplies for students in OKCPS and unhoused individuals. Collected tampons or pads will be packed in paper to-go containers for discreet distribution. Thank you for supporting this effort in March!

## Capital Campaign Discernment Update

We extend our sincere gratitude to all participants in the recent 'Cottage Meetings' focused on shaping the future of St. Paul's. Currently, we are in the process of collating the feedback received and anticipate sharing the insights shortly. Moving forward, a comprehensive feasibility study will be undertaken by campaign leaders and the executive team. This study will involve a meticulous evaluation of all essential elements pertaining to a potential capital campaign to determine its viability. We will keep you informed of progress and value your continued input. For any inquiries, email [seniorwarden@stpaulsokc.org](mailto:seniorwarden@stpaulsokc.org).
